

Week of August 31, 2026

Activity

Along East Hillcrest Drive, crews continue pipeline installation between North Conejo School Road and Lone Oak Drive. Steel plates may be placed over excavated areas when crews are not actively working.

Along West Hillcrest Drive, crews will remove asphalt and set plates, then begin pipeline installation on the next segment just east of McCloud Avenue, continuing on from the segment paved this week.

Crews will also continue potholing along Agoura Road and Hampshire Road through Friday, September 4, with additional potholing continuing in the following weeks.

Dates/Times

Ongoing daily, 7:00 a.m. – 4:00 p.m., through Friday, September 4.

Traffic Impacts

Motorists should expect temporary lane closures, lane shifts, turn restrictions, flagging operations, and minor traffic delays in active work zones. Access to nearby properties, businesses, driveways, and local streets will be maintained wherever possible.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.
