

Week of August 17, 2026

Activity

Crews will continue potholing (underground utility identification) along Agoura Road between Lindero Canyon Road and Lakeview Road to prepare for urgent pipeline repairs. The upcoming repair work will include roadway excavation and pipeline construction and will require both daytime and nighttime traffic control within the work area. Construction may begin as early as the end of this month. Additional updates will be shared as details are confirmed.

Dates/Times

Beginning Week of August 10

9:00 a.m. – 4:00 p.m. daily

Approximately 4–6 weeks

Traffic Impacts

Residents, businesses, drivers, bicyclists, and pedestrians can expect construction activity, temporary lane closures, traffic shifts, and minor delays along westbound Agoura Road. No full roadway closures are currently planned for the ongoing potholing work.

Crews will continue daily traffic-control setup and teardown as work progresses. Traffic-control signs, cones, and flaggers may be used to help keep crews and the public safe.

Access to nearby businesses, driveways, and local streets will be maintained as much as possible. Please allow extra travel time and follow posted traffic-control signs when traveling through the area.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.

Contact Us

If you have questions or would like additional details about this work, please contact the Project Outreach Team at (818) 245-4440.

The map displays the Westlake Village area, including Westlake Golf Course, Agoura Rd, Village Center Rd, Village School Rd, Lindero Canyon Rd, Lakeview Canyon Rd, and Townsgate Rd. A dashed orange line indicates the Westbound Lane Reductions for Pothole Work on Agoura Rd. A legend box in the lower-left corner of the map area contains the text "Legend" and "Westbound Lane Reductions for Pothole Work" with a corresponding dashed orange line symbol. A north arrow is located in the upper-right corner. The bottom section of the graphic features a dark blue background with a wavy orange border at the top. It contains the following text: "DAYTIME LANE REDUCTIONS ON WESTBOUND AGOURA RD", "Beginning Tuesday, August 11 for ~4-6 weeks", and "9 a.m. to 4 p.m. daily". Below this text is the logo for the Pure Water Project, which consists of a stylized water drop with a circular arrow inside, and the text "PURE WATER PROJECT LAS VIRGENES-TRIUNFO" and "Bringing Our Water Full Circle". A large, faint exclamation mark is visible in the background of the bottom section.
