

## Week of August 24, 2026

### Activity

Crews will continue potholing (underground utility identification) along Agoura Road between Lakeview Canyon Road and Lindero Canyon Road. This work is part of the ongoing potholing effort that has been underway since late July, ahead of upcoming excavation and pipeline installation in this segment.

### Dates/Times

Ongoing daily, 9:00 a.m. – 4:00 p.m. Work within the City is expected to continue for roughly one to two more weeks before crews shift to excavation and pipe installation along Agoura Road, between Lindero Canyon Road and Lakeview Canyon Road.

### Traffic Impacts

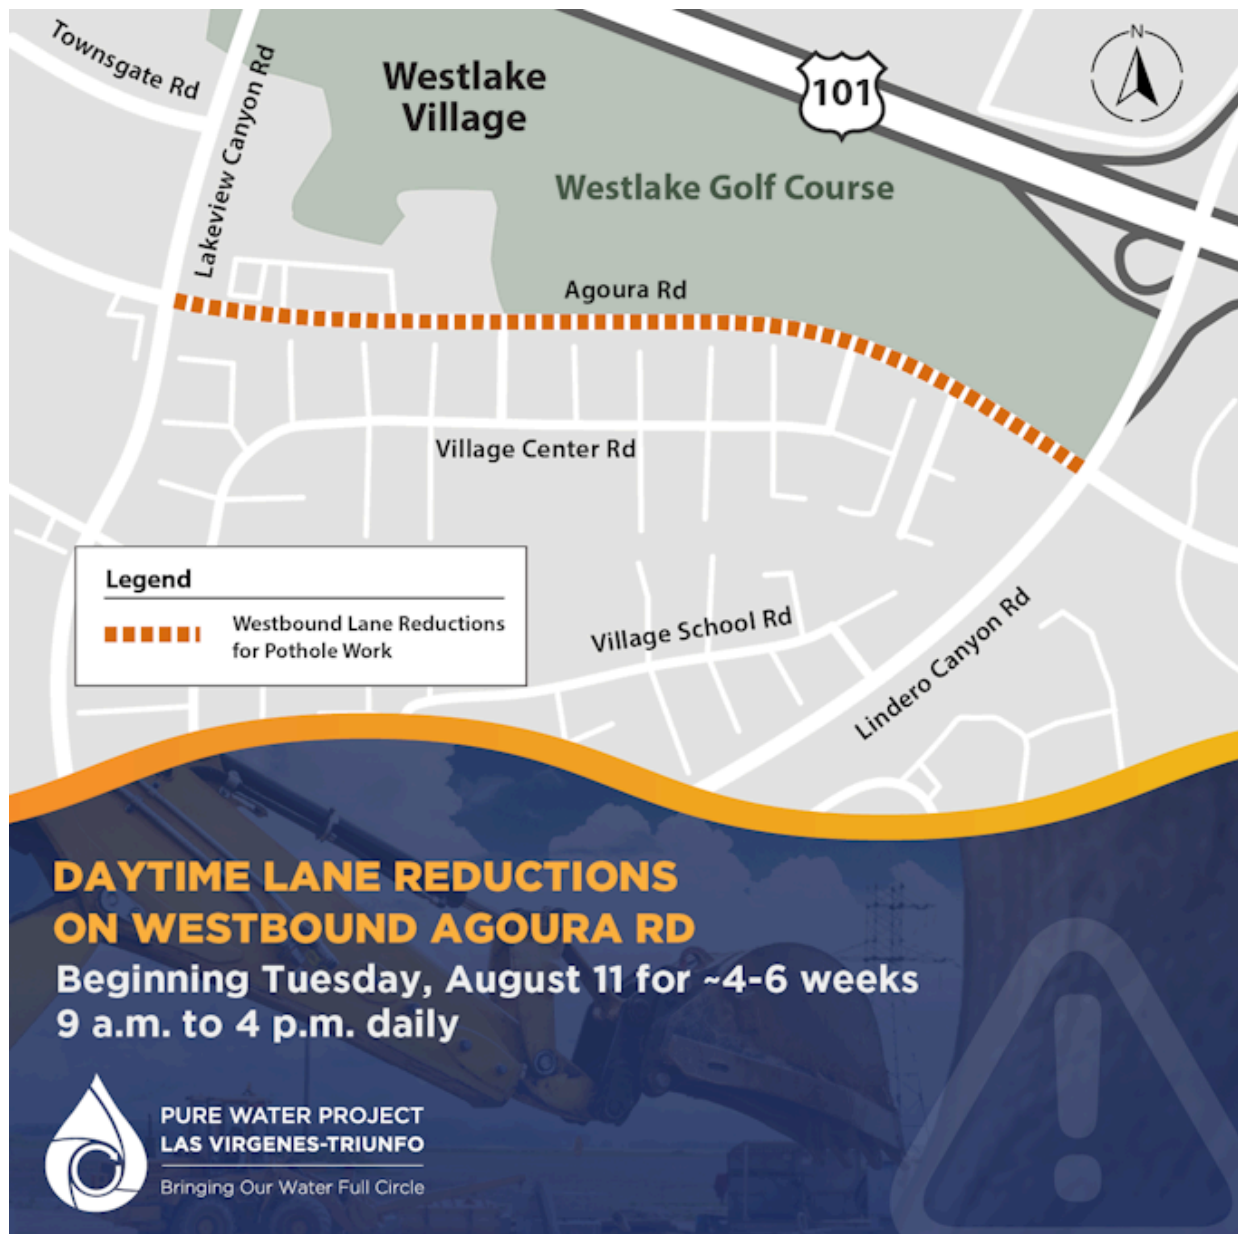

Motorists on westbound Agoura Road should expect continued construction activity, temporary lane closures, traffic shifts, and minor delays. Traffic-control signs, cones, and flaggers will be on site to manage safety.

*Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.*

### Contact Us

If you have questions or would like additional details about this work, please contact the Project Outreach Team at (818) 245-4440.
